

You are a suspected COVID case if you

have fallen ill with high fever, have a cough and/or lost your sense of taste and/or smell

or

spent more than 15 minutes without a mask in close proximity to a confirmed COVID patient

What to do if you are a suspected COVID19 case?

- 1) Self isolate.
- 2) Call the public health service hotline 1450 and ask for a test.
- 3) Fill in [this form](#) and send it to vorstand.anglistik@univie.ac.at + covid.philkult@univie.ac.at

If you test negative

Send an email to vorstand.anglistik@univie.ac.at + covid.philkult@univie.ac.at stating that you are clear.

If you test positive

Fill in [this form](#) and send it to vorstand.anglistik@univie.ac.at + covid.philkult@univie.ac.at + rektorat@univie.ac.at
Stay at home and get well soon!
